LA STORIA HISTORY

Vaghi nasce nel 1964 come “Tappezzeria dei Fratelli Vaghi” e, grazie all’intraprendenza dei suoi fondatori, si afferma sul mercato nazionale ed estero come azienda di riferimento per le sedute da ufficio.

EN Vaghi was established in 1964 as “Tappezzeria dei Fratelli Vaghi”, an upholstery shop, and thanks to entrepreneurial attitude of its founders it soon gained a position on the national and international markets, becoming a reference company in the domain of office chairs.

FR Vaghi naquit en 1964 comme tapisserie “Tappezzeria dei Fratelli Vaghi” et, grâce à l’esprit d’initiative de ses fondateurs, elle rejoint une position importante sur le marché national et étranger, comme point de référence dans le domaine des chaises pour bureaux.

ES “Tappezzeria Fratelli Vaghi”, dirigido por los hermanos Vaghi. Gracias a su espíritu emprendedor, pronto se asegura una posición en los mercados nacional e internacional, convirtiéndose así en una compañía de referencia en el sector de las sillas de oficina.

La collaborazione continua con architetti, istituti di ricerca e centri di certificazione ha permesso, in quasi cinquant'anni di storia, di proporre una serie vastissima di modelli esclusivi, ispirati ai più innovativi principi del design e dell'ergonomia.

EN Our collaboration with architects, research organisations and certification agencies has allowed us to propose, over the last fifty years, a number of exclusive models, inspired by the most innovative design and ergonomics.

FR La collaboration continue avec architectes, instituts de recherche et centres pour la certification nous a permis, sur une période de presque cinquante ans, de proposer une multitude de modale exclusifs, inspirées aux plus modernes principe du design et de l'ergonomie.

ES A lo largo de los últimos 50 años, hemos colaborado con arquitectos, organizaciones de investigación y agencias de certificación, lo que nos ha permitido ofrecer una gran variedad de modelos exclusivos inspirados en el diseño y la ergonomía más innovadores.

OGGI TODAY

Cura artigianale e tecnologia avanzata sono il binomio vincente, forti del bagaglio artigianale che contraddistingue la migliore tradizione italiana, i nostri uomini alla cura dei particolari e a un design raffinato fanno aggiungere una coraggiosa apertura alla più avanzata ricerca tecnologica, con la quale affrontare problemi costruttivi ed ergonomici assicurando ad una clientela sempre più attenta ed esigente il massimo dei risultati.

EN Craftsmanship, combined with care and advanced technology is the winning formula, in accordance with the best Italian tradition, our artisans combine refined design with attention to detail and the most advanced technological research, in order to maximize customer satisfaction.

FR Soin artisanal et technologie avancée constituent le binôme gagnant, forts du bagage artisanal qui du reste distingue la meilleure tradition italienne, notre artisans savent ajouter aux soins des détails et au design raffiné une courageuse ouverture vers la recherche technologique la plus avancée, grâce à laquelle il est possible d'affronter des problèmes constructifs et ergonomiques en assurant à une clientèle toujours plus attentive et exigeante le maximum des résultats.

ES Las habilidades artesanales y la tecnología avanzada son la combinación ganadora, con la experiencia artesanal que distingue a la mejor tradición italiana, nuestros hombres añaden a la atención al detalle y al diseño refinado una apertura valiente a la investigación tecnológica más avanzada, con la que enfrentar problemas de construcción y ergonómicos, ofreciendo los máximos resultados a una clientela cada vez más atenta y exigente.

La sostenibilità,
per noi, è un impegno
reale: siamo sempre alla
ricerca di nuovi metodi
per allungare la durata
dei nostri prodotti
e ridurre il loro impatto
sull'ambiente.
Abbiamo elaborato
politiche e rigidi
standard operativi,
per garantire a ognuno
dei nostri dipendenti
un ambiente di lavoro
sano e sicuro.

EN We are continually investing in sustainability: we are always looking for new ways to extend product lifespan and reduce our impact on the environment, we work with suppliers to ensure that our products are as low-impact as possible. We have adopted strict operating standards that make sure all our employees enjoy a safe, healthy workplace.

FR Nous investissons en permanence dans le développement durable: cherchant continuellement de nouvelles manières d'accroître la durée de vie de nos produits, mais aussi de réduire notre impact sur l'environnement. Nous avons également adopté des normes d'exploitation strictes, qui garantissent à tous nos employés un environnement de travail sûr et sain.

ES Invertimos continuamente en sostenibilidad: buscando siempre nuevos modos de ampliar la duración del producto y reducir el impacto medioambiental. Adoptamos normas operativas estrictas para asegurar que todos nuestros empleados puedan disfrutar de un lugar de trabajo seguro y sano.
