PELAGIA

PELAGIA 1505LED

PELAGIA pendant

A design by Ralf Frickel

PELAGIA

Inspired by the sea

Handcrafted with hundreds of meters of wire rope, this giant pendant is inspired by the luminescent jellyfish Pelagia Noctiluca.

During the day, the PELAGIA's smooth umbrella like body and lengthy tentacles catch the natural light, offering a soft and gentle sparkle.

By night the illuminated tentacles create a surprising shadow play to the PELAGIA's immediate surroundings. A true eye catcher in any high ceiling space.

Perfect to illuminate entrance halls, lobbies, stairways and other spacious rooms.
