## CLASSICAL KITCHEN

## CLASSICAL KITCHEN

➤ CARMEN

➤ EVA

- The material used for Classical Kitchens is the door with massive wooden frame & central panel. The Carcass will be in engineered wood with laminate finish.

- Being chic in no way means being inaccessible and Carmen is the proof.
- An elegant kitchen that recalls the warmth of the country style represented in the mouldings , in the inlays of the wooden doors and in the windows.
- The stylistic personality of Carmen is revealed by the attention to detail and the chromatic research of the structure.

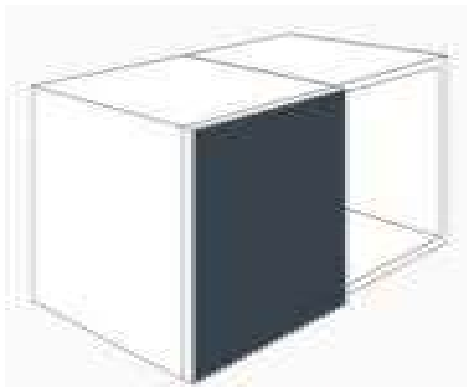

➤ A high modularity is integrated into the palette of pastel shades to make this kitchen range as complete as possible.

- 2.Lift up flap up

# MIDDLE

## POLISHED SLATE

➤ Wall unit with one adjustable shelf with one or two doors can be customized.

➤ Middle can also be interpreted with suggestions coming from the English countryside in Yorkshire, in a single harmony, the Slate Gray and the Dark Oak.

➤ A kitchen that looks like a living room with specialized elements and intelligent elements, free to welcome more.

**MIDDLE**  
**TRUFFLE OAK**

➤ There are really many possible combinations, combining colors and essences. Elegance at a glance that captures the essential.

➤ Go ahead for every interpretation of the kitchen thanks to design variations and elastic and punctual innovation.

➤ The Mustard of some elements put together in various ways makes the whole Truffle Oak even more pleasant.

➤ Open wall unit and open shelf designs for wall units can be customized.

# MIDDLE

## GLOSSY WHITE

➤ A top case of elegance and once again a designer kitchen.

➤ The functions that must have a good kitchen do not escape the aesthetic research.

➤ This minimal kitchen takes up the idea but warms it up.

➤ Middle is "Made in Italy" in the heart. Lacquered white and lead gray.

# MIDDLE

GLOSSY WHITE / NATURAL ELM

➤ Tandem Drawers without handles, pull grip concept, integrated gola profile handles are available.

➤ A precious work also of a sociological nature. "What for whom". And the result is high. Even if it does not give on the Madrid roofs. Natural elm, white and a pinch of mustard.

➤ Youthfulness, orderly minimalism rich in intuitions. There is everything in a small space. Another demonstration of how Middle looks in every direction, from the important kitchens to the essential ones.

➤ Flap ups with aluminum frame with smoke glass shutter is also available with us.

# MIDDLE

## POLISHED SLATE / LIGHT OAK

➤ Simple, open, clean modularity for the kitchen that reads at a glance but turns out a little at a time.

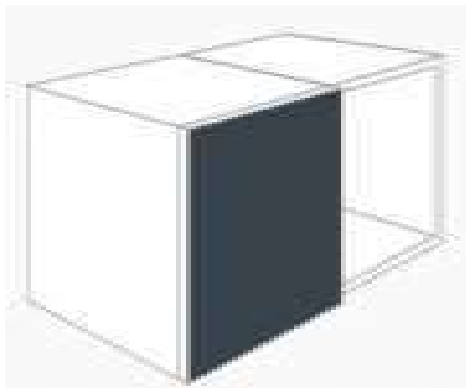

➤ Even for those in a hurry - Boston is a cultural centre but also a sea port, as this house could be - here is another variant of Middle, with beautiful and spacious wardrobe
